

END-USER LICENSE AGREEMENT

PLEASE READ THESE TERMS AND CONDITIONS OF USE CAREFULLY BEFORE DOWNLOADING AND USING THIS ADD-IN.

TECC Agriculture Ltd (“Licensor”), owns and licenses a downloadable application related to Licensor’s products (“Fieldable”), which contains or provides access to media, printed material, Content (as defined below), and online or electronic documentation (collectively “Software Product”). The End-User and Licensor may each be referred to herein as “Party” or collectively as the “Parties.” By installing, upgrading, or otherwise using the Software Product, you, your company, employees and/or agents (collectively, “End-User”) are entering into a contract with Licensor and you agree to be bound by the terms and conditions of this End-User License Agreement (“EULA”). If you do not wish to be bound by and comply with these terms and conditions, please do not download, upgrade, or use the Software Product.

This EULA represents the entire agreement between the Parties concerning the Software Product, and it supersedes any prior proposal, representation, or understanding between the Parties regarding the Software Product. If you do not agree to the terms of this EULA, do not install or use the Software Product. Licensor may revise and update the terms and conditions of the EULA at any time. The most current EULA will be available on the Software Product “Info” Tab. End-User’s continued usage of the Software Product will mean that the End-User accepts those changes.

The Licensor also reserves the right to modify or discontinue, either temporally or permanently, the Software Product, with or without notice and without any liability.

1. Purpose of the Software Product. The Software Product is made available to End-User for the sole purpose of providing a platform for calculating and communicating fertilizer needs and associated Content (defined below). The Software Product is provided as a reference and is not intended, and should not be used, to replace appropriate consideration that may be necessary to meet the actual or potential needs that End-User may have.

2. Grant of License. Licensor hereby grants to End-User a personal, limited, temporary, non-assignable, non-transferable, non-sublicensable, and non-exclusive license to install, access and use the Software Product solely to identify potential product options available from Licensor in accordance with the terms and conditions of this EULA (“License”). End-User may install the Software Product on any Apple-branded product(s) owned or controlled by End-User (“device(s)”), and may operate the Software Product on the device(s) only for use in the business of End-User in accordance with this EULA. This grant includes the right to receive updates, upgrades, and later versions of the Software Product (collectively, “Software Product Upgrades”) that Licensor may, in its sole discretion, release or make available to End-User from time to time. Except as set forth herein, Licensor shall have no obligation to End-User with regard to the Software Product, including any obligation to maintain the Software Product. The License granted by Licensor under this EULA does not include a license to Third-Party Software (defined below). End-User is responsible for obtaining a license to any Third-Party Software that may be provided with or necessary to use the Software Product and such license shall include the right to use the Third-Party Software with other software, including the Software Product. End-User acknowledges that the use of the Software Product along with the Third-Party Software is subject to any terms and conditions of use associated with the license to the Third-Party Software. All rights not expressly granted herein are reserved to Licensor and its licensors.

3. End-User Representations and Warranties. By accessing or using the Software Product, End-User represents and warrants that End-User is at least 18 years of age and has the legal capacity to enter into this EULA, consent, and (where applicable) End-User has obtained all necessary approvals, consents and authorizations from any third party, to submit information to Licensor,

including personal information and to delete or modify such information and all information submitted is true, accurate and complete.

4. License Restrictions. End-User agrees that it shall not: (a) copy, modify, adapt, translate, de-compile, reverse engineer or disassemble the Software Product for any purpose whatsoever; (b) use the Software Product for any purposes other than as expressly licensed herein, develop any works that are functionally compatible or competitive with the Software Product, or create any works that are derived from the Software Product; (c) lease, rent, loan, sell, distribute, or otherwise transfer the Software Product to a third party, including transferring the device to a third party without first removing the Software Product; (d) operate the Software Product on behalf of or for the benefit of any entity other than End-User; (e) attempt to assign this EULA, transfer its license rights to a third party or sub-license any or all of its license rights under this EULA; (f) utilize the Software Product in connection with any data or information other than Content; (g) use the Software Product for any purpose in violation of local, provincial, national, or international laws; (h) insert End-User's own or a third party's advertising, branding or other promotional content into any of the Content, make derivative works of the Content, or otherwise use, redistribute, republish or exploit the Content for any further commercial or promotional purposes that do not involve using the Content for calculating quantities, pricing, shipping and purchasing fertilizer; (i) use the Software Product in a manner that infringes or violates the rights of any third party, including, without limitation, intellectual property, privacy, publicity or contractual rights, (j) interfere with, interrupt, damage, disable, overburden, or impair the Software Product, including "Fieldable", or the Content or the services made available on or through the Software Product, including, without limitation, through the use of viruses, cancel bots, Trojan horses, harmful code, flood pings, denial of service attacks, packet or IP spoofing, forged routing or electronic mail address information or similar methods or technology; (k) attempt to gain unauthorized access to other computer systems through the Software Product; (l) probe, scan, or test the vulnerability of the Software Product or any network connected to the Software Product, or breach the security or authentication measures of any network associated with the Software Product; (m) engage in spidering, "screen scraping," "database scraping," harvesting of e-mail addresses, wireless addresses, other contact or personal information, any Content, or any other automatic means of obtaining lists of users or other information from or through the Software Product or the services offered through the Software Product, including without limitation any information residing on any server or database connected to the Software Product; or (n) assist anyone else in doing any of the foregoing.

Licensor authorizes End-User to download or print copies of certain Content in the Software Product solely for End-User's use if End-User includes the following copyright notice: "Copyright © 2018, TECC Agriculture. All rights reserved" and all other copyright and proprietary rights, and disclaimer notices that are contained in such Content.

5. Support. The License granted herein does not include any obligation for the Licensor to provide support services related to the Software Product ("Support Services").

6. Software Product Ownership. The grant of the License is not a sale of the Software Product. No title to or ownership of the Software Product is transferred to End-User by this EULA. All title, ownership rights and intellectual property rights, including, without limitation, any patent, copyright, trademark, and/or trade secret rights, in and to the Software Product, including any adaptations or copies of the Software Product, belong to Licensor and its licensors, as applicable. Licensor takes no ownership interest in any information that End-User uses with, or that results from End-User using, the Software Product, and such information shall at all times belong to End-User. End-User may provide to Licensor, either orally or in writing, feedback, suggestions, ideas, concepts, materials, or other information regarding the Software Product, its use, or improvement thereto (collectively, "Feedback"). End-User agrees that it shall have no right, title, or interest in or to any works of authorship, patentable inventions, or other intellectual property rights arising, in whole or in part, out of such Feedback, including, without limitation, any enhancements or improvements to the

Software Product, and End-User hereby expressly assigns to Licensor all intellectual property and proprietary rights, including any patent or copyright rights, in any Feedback.

7. Software Product Content. The Software Product may contain and/or provide content, such as text, graphics, images, interfaces, logos, trademarks, servicemarks, specifications, technical guidelines, catalogs, calculations, information, data, suggestions, engineering and design values, designs or product configurations, information, and other material (“Content”). Content may be protected by copyright, trademark, and/or other laws of Canada and other countries. Ownership of the Content remains with Licensor, its licensors, or third-party content providers. Any use of the Content not expressly permitted by this EULA is a breach of the EULA and may violate copyright, trademark, patent, and other laws. The Content is subject to change or removal without notice in the sole discretion of Licensor. End-User acknowledges that Content may contain technical inaccuracies or typographical errors and that End-User will not rely on Content in any manner.

8. Use of the Software Product. End-User agrees that End-User’s use of the Software Product is for the sole purpose of identifying potential fertilizer land application options based on information that End-User enters into or selects from the Software Product. Any Content, including without limitation any data, information, calculations, suggestions, designs or product configurations provided by the Software Product are for general information only and are not to be used or relied upon by End-User for any purpose.

End-User hereby agrees, warrants and represents to Licensor that End-User owns or otherwise has rights, including any intellectual property and other proprietary right, in and to any data or other information that End-User provides in connection with use of the Software Product, or any portion thereof, and End-User hereby grants Licensor a license to use that data and other information, including in connection with the Software Product.

9. Data Collection. The Software Product may contain code, applets, applications, or other functionality to monitor and collect data regarding the End-User’s use of the Software Product. Licensor has the right, and End-User hereby consents, to such monitoring and collecting of the data regarding End-User’s use of the Software Product, and to utilizing the data collected for any purpose, including, without limitation, improving the performance of the Software Product, and for development and improvement of future versions of the Software Product.

10. Personal Information. End-User acknowledges and agrees that any personal information End-User provides to Licensor (including, without limitation, name, company, title, address, telephone number, e-mail address, social media contact information) will be subject to Licensor’s privacy policy as revised from time to time as set forth therein [https://docs.wixstatic.com/ugd/ba7b73_ae0119911f8e484582deff751ec9323a.pdf], which is incorporated into this EULA by reference.

11. Other Software. Licensor may provide links to, or the Software Product may install, interface with or have embedded third-party software (collectively, “Third-Party Software”). Licensor is not responsible for the content of Third-Party Software and does not make any representations regarding the content and accuracy of the Third-Party Software. End-User’s use of Third-Party Software is at the End-User’s own risk and subject to the terms and conditions of the Third-Party Software.

12. Disclaimer. LICENSOR IS NOT RESPONSIBLE FOR ANY VIRUSES OR OTHER ROUTINES THAT HARM END-USER’S DEVICE OR OTHER SOFTWARE, WHICH END-USER MAY COME IN CONTACT WITH WHILE USING THE SOFTWARE PRODUCT; NOR IS LICENSOR RESPONSIBLE FOR ANY FAILURE, MECHANICAL OR OTHERWISE, OF THE SOFTWARE PRODUCT OR SERVICES AVAILABLE THROUGH THE SOFTWARE PRODUCT. FURTHERMORE, WHEN USING THE SOFTWARE PRODUCT, INFORMATION WILL BE TRANSMITTED OVER A

MEDIUM THAT MAY BE BEYOND THE CONTROL AND JURISDICTION OF LICENSOR. ACCORDINGLY, LICENSOR ASSUMES NO LIABILITY FOR OR RELATING TO ANY DELAY, FAILURE, INTERRUPTION, OR CORRUPTION OF ANY DATA OR OTHER INFORMATION OR MATERIAL TRANSMITTED TO OR RECEIVED FROM THE SOFTWARE PRODUCT.

THE SOFTWARE PRODUCT IS PROVIDED ON AN “AS IS” BASIS. LICENSOR, TO THE FULLEST EXTENT PERMITTED BY LAW, DISCLAIMS ALL WARRANTIES, EITHER EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT OF THIRD PARTIES’ RIGHTS, AND FITNESS FOR A PARTICULAR PURPOSE. THE ENTIRE RISK ARISING OUT OF, CAUSED BY, OR IN ANY WAY RELATED TO, THE USE OF THE SOFTWARE PRODUCT REMAINS WITH THE END-USER.

To the best of Licensor’s knowledge, the information contained in the Software Product is accurate. HOWEVER, LICENSOR MAKES NO REPRESENTATIONS OR WARRANTIES, EITHER EXPRESS OR IMPLIED, THAT THE SOFTWARE PRODUCT, INCLUDING THE CONTENT THEREIN OR AVAILABLE THERETHROUGH, IS ACCURATE, RELIABLE, CURRENT OR CORRECT; THAT THE SOFTWARE PRODUCT WILL BE AVAILABLE AT ANY PARTICULAR TIME OR LOCATION; OR THAT ANY DEFECTS OR ERRORS WILL BE CORRECTED.

IN NO EVENT SHALL LICENSOR BE LIABLE FOR ANY DAMAGES (INCLUDING, WITHOUT LIMITATION, DIRECT, INDIRECT, EXEMPLARY, INCIDENTAL AND CONSEQUENTIAL DAMAGES, PERSONAL INJURY/WRONGFUL DEATH, DAMAGE TO PROPERTY, LOST PROFITS, OR DAMAGES RESULTING FROM LOST DATA OR BUSINESS INTERRUPTION) RESULTING FROM END-USER’S USE OF OR INABILITY TO USE THE SOFTWARE PRODUCT, WHETHER BASED ON WARRANTY, CONTRACT, TORT, OR ANY OTHER LEGAL THEORY, AND WHETHER OR NOT LICENSOR IS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Notwithstanding the other provisions of this EULA, if Licensor is found to be liable to End-User for any damages which arise out of or are in any way connected with the Software Product or End-User’s use of the Software Product, Licensor’s liability shall in no event exceed the amount of one hundred dollars (CAD\$100.00) (other than as may be required by applicable law). The foregoing limitations will apply even if the above stated remedy fails of its essential purpose.

Any claims arising in connection with End-User’s use of the Software Product must be brought within one (1) year of the date of the event giving rise to such action occurred, notwithstanding any other limitation periods that may otherwise exist at law or by statute. End-User’s remedies arising from any claim relating to the Software Product that are set forth in this EULA are exclusive and are limited to those expressly provided for in this EULA.

13. Indemnity. End-User agrees to defend (using counsel acceptable to Licensor, in its sole discretion), indemnify and hold harmless Licensor, its officers, directors, employees, agents, licensors, and suppliers from and against any and all liabilities, claims, expenses, causes of action, demands, settlements, and/or damages (including reasonable attorneys’ fees and costs) resulting in whole or in part from, or alleged to result in whole or in part from: (i) End-User’s use of and access to the Software Product, including any use of the Content provided by the Software Product; (ii) End-User’s violation of any provisions of this EULA; (iii) information or material provided to Licensor by End-User or input into the Software Product; (iv) a third party’s rights (including without limitation patents, copyrights, trademark, trade secrets, or other intellectual property or proprietary rights, moral rights, rights of privacy, and reputational rights) that were violated by any information or material provided to Licensor by End-User or by Licensor’s publication or other use of any information or material provided to Licensor by End-User. Licensor reserves the right to

assume the defense and control of any matter subject to indemnification by End-User, in which event End-User will cooperate with Licensor in asserting any available defenses.

14. Term; Termination. The term of the EULA begins when the End-User first downloads, upgrades or uses the Software Product and lasts until termination of the EULA by either Party. Either party may terminate this EULA for its convenience upon written notice to the other party. Licensor reserves the right to modify, suspend, interrupt, or terminate operation of or access to any portion of the Software Product, for any reason, including without limitation, in the event that (i) a threat, allegation, or claim is made, or Licensor reasonably believes, that the Software Product violates any intellectual property or other proprietary right of any person or entity; (ii) Licensor no longer has the right to license the Software Product to End-User; (iii) the right of either Party to use the Software Product with the Third-Party Software is terminated; or (iv) End-User breaches any of the terms and conditions of the EULA. Upon termination or expiration of the License, End-User must immediately cease all use of the Software Product, permanently delete Software Product from all computers and devices on which it is installed, and shall, at Licensor's option, return or destroy the Software Product, including any documentation, that is then in End-User's possession. The termination of this EULA will not in any way eliminate or compromise any other rights of Licensor pursuant to this EULA.

15. Waivers. No waiver by any Party of any provision hereof or part thereof at any time shall constitute or evidence a waiver by such Party of any other provision or other part of such provision or of the same provision or part at any other time. No waiver of any provision of this EULA by a Party is binding unless such waiver is in writing and signed by the Party entitled to grant such waiver. No failure to exercise and no delay in exercising, any right or remedy under this EULA shall be deemed to be a waiver of that right or remedy.

16. Severability. In the event a court of competent jurisdiction determines that any of the provisions of this EULA are invalid or unenforceable, such provision shall be limited to the extent the court deems reasonable, without declaring such provision of the EULA invalid in its entirety. To the extent any portion of any provision of this EULA shall be deemed invalid or unenforceable, it shall be considered deleted and the remainder of this EULA (including the remainder of the provision) shall continue in full force and effect. End-User and Licensor expressly desire that this EULA shall be given the construction that renders its provisions valid and enforceable to the maximum extent permissible under applicable law, without exceeding this EULA's express terms.

17. Governing Law and Jurisdiction. This EULA and any claim, controversy, action, proceeding, or dispute arising under, or relating to, this EULA shall be governed by, and construed and interpreted in accordance with, the laws of Ontario, Canada, without reference to, or application of, its conflict of laws rules and principles. The Parties agree to bring any claim, controversy, action, proceeding, or dispute arising out of, or relating to, this EULA, its interpretation, performance or breach, in the courts in Ontario, Canada, and in no other forum, and hereby waive any objection to such venue, including any objection based on *forum non-conveniens*.

18. Use Outside of Canada. Licensor makes no claims that the Software Product is appropriate for use, or may be downloaded, outside of the Canada. Access to the Software Product may not be legal by certain persons or in certain countries. End-User represents and warrants that End-User is located within Canada, and will not download or use the Software Product outside of Canada. If End-User downloads or uses the Software Product outside of Canada, End-User does so at End-User's own risk and acknowledges that such use is expressly prohibited under the Terms of this EULA. End-User is therefore responsible for compliance with the laws where such download or use occurs.

19. Survival. All terms in this EULA that by their nature are intended to survive expiration or termination of this EULA, including without limitation Sections 3-12, Section 13 (only with respect to the last two sentences), and 14-17, shall survive expiration or termination of this EULA.

20. English Language. It is the express wish of the parties that these Terms of Use be drafted in English. Les parties aux présentes ont expressément demandé que ces modalités d'utilisation du site web soient rédigés en anglais.
